

Build your own 1-800-COLLECT© type service and generate monthly

RECURRING income: Ever think about the amount of revenue that comes from all of those collect calls? You or your customers could be promoting your own collect calling program and start receiving a very generous

commission on every completed call. Network America will issue you a toll free number that is forwarded to our operator center and pay commissions on completed calls.

Prospects: Who are they?

**Hotels - Resorts – Hospitals - Jails
LD Companies - Motels - CLECs - ILECs
RBOCs - PTTs - Universities - Payphone
Companies**

Any venue that restricts or charges for 1+ calls is a candidate for operator services.
